Treasure Island Marina – Newsletter

The summer is flying by and it has been a great season for us at Treasure Island Marina with wonderful weather, the Farmer's Almanac was right! We have made some improvements to the property focusing mainly on the restaurant and we continue to plan for further growth and enhancements.

Driftwood Restaurant at Treasure Island

As you may know the restaurant is now open and it has taken a large portion of our time however, processes are running smoothly and now we will be able to focus more on the Marina.

Poker Run 2011

The poker run was a great success for the Marina and the Restaurant. Gas sales were off the charts as we are one of the few Marinas in the area that sells Premium 92 grade gasoline.

Special thanks to Galen and Devon for the outstanding service they provided to our visitors. These guys are the BEST!

Haul and Winter Storage

It's time to start thinking about storing your boat for the winter and we would like the opportunity to maintain your boat here at Treasure Island Marina.

Attached find the rate sheet for 2011.

The new maintenance programs are included in the attachment. Simply let us know what you need done and we will look after the rest.

Why store your boat at Treasure Island Marina?

1. Convenient – We were the first Marina to have all our boats in the water this spring. If you are storing outside the Marina you are on a waiting list to launch.
2. We have a dedicated team of 4 professionals that will handle all work and all work is completely guaranteed.
3. We are adding web based security camera so that you can view your boat from anywhere.

Docks & Slips for the Fall Newsletter

We have had a great season on the docks with full occupancy. Thank you sooo much for your continued patronage. The waiting list continues to grow and we hope to have a great season next year as well.

As we try to build relationships, loyalty and commitment we hope that you will give us the opportunity to maintain your boat all year round.

Chef Taylor cooks up a perfect storm in the kitchen.

Special points of interest

New Boat lift – Is arriving Sept 15 – 30th.

The banquet hall is getting a makeover.

Stay tuned.

Driftwood makes a splash in the Kingston WIG

Standard. Saturday August 20.

Haul out date for those who need the crane service

Saturday Sept 24th and Saturday Oct 15

Spring Launch May 12 & 14 2012

If your boat is

1. larger than 45 feet
2. Heavier than 40,000 lbs
3. Has a draft of more than 4 feet
4. You need the mast removed

Then you will need to use the crane service.
Same process as last year.

The new trailer is slightly different than we expected
Due to issues with the launch ramp.

We can haul out all power boats but sail boats will need the crane service.

The application is attached and will be available on our website.

Please get them in early to book your haul out time plus any other services you require.

Special thanks to Tom Smallbeck for the pictures of the marina and the Restaurant that will be seen on our new Website.
